

# Maui Medical Group

*We are pleased to announce that our Patient Portal is now open!*

Our Portal gives you easy and private access to your medical information online. When you join, you will now have safe, secure and easy access to your:

### **Appointments**

Request & keep track of appointments

### **Medication**

Request prescription refills

### **Medical Records**

View your personal health record

### **Messages**

Send messages to clinical staff

### **Reminders**

Receive health maintenance reminders

To become a member all you need is an email address and computer and/or Smartphone that has an Internet connection.

Complete the information below, sign the form and give to a Maui Medical Group representative. We will register you in the Portal and the Portal will send a link to your email to complete your registration.

---

*Please tear here and give to the Maui Medical Group representative*

Patient's Name: \_\_\_\_\_
